### Officials

All USA Swimming certified officials willing to volunteer should fill out and submit the Application to Officiate found in the meet information on the [Ohio Swimming Website](#) or the [MVAC website](#)

We anticipate that this meet will be an Officials Qualifying meet for certification at the N2 and N3 initial levels and for N2 and N3 re-certifications. Officials wishing to be evaluated should submit a [Request for Evaluation](#) form available on the Ohio Swimming or MVAC website.

**Note: to be evaluated for certification or re-certification at any level, an official must work at least 4 sessions at the meet, even if the evaluation requirement is for only 2 or 3 sessions in a specific position."**

### **Special notice to those interested in obtaining National Certification as a Chief Judge, Starter, or Referee:**

First priority for assigned positions will be given to those seeking certification, as well as, a commitment to working all sessions of the meet. This better serves the athletes and provides a consistent training experience. Preference will also be given to those seeking either an N2 or N3 Evaluation. If the evaluation is for "Recertification", then one must work the minimum number of sessions in each position in which he/she is recertifying. For specific requirements, refer to the [USA Swimming](#) website, the Volunteers Section under Officials Certification.

Official's uniform will be white over navy for all sessions. Shorts are permitted for Preliminaries. Long pants (men or women) or modest length skirts (women) will be worn for finals.

White covered toe athletic or deck shoes for all sessions

## Championship Procedures

### Rules

USA Swimming Rules and Regulations will govern the conduct of these Championships and will serve as the official guide for technical and procedural rules.

### Membership Requirement

All swimmers, coaches, and officials should be prepared to show a current USA Swimming membership card.

Coaches must be able to provide proof of CPR, First Aid and Safety Training for Swimming Coaches or USA Swimming approved equivalents. All meet directors, referees, starters, marshals and stroke and turn judges serving in an official capacity in a sanctioned event must be members of USA Swimming, and all persons acting in any coaching capacity in a sanctioned event must be coach members of USA Swimming.

### Warm-Up and Safety

The meet host will provide a complete schedule of warm-up procedures to include lane usage and times, which must be adhered to by all participants. This information will be distributed with the meet information at registration, posted throughout the venue, announced on a regular basis before and during the meet, and monitored jointly by the Meet Director and Meet Referee (or their special designees). Flagrant violation of these procedures may result in a disqualification from the meet for unsportsmanlike activity. Encourage your swimmers to cooperate with marshals.

Warm-up procedures may, at the discretion of the host team, be modified based on number of swimmers in the meet and other safety and logistical concerns.

Below are listed the Warm-up procedures that are to be used for the OSI championship meets.

#### TEAM SPECIFIC WARM-UP PROCEDURES

- a. Participating teams shall be assigned to specific lanes for the warm-up period based on number of participants.
- b. The coaches of the teams assigned to each lane shall determine the warm-up procedure for that lane.
- c. If coaches in a lane can not agree on a warm-up procedure, the session referee should be consulted and shall define that lane's procedure. The decision of the session referee will be final.
- d. Except during supervised racing starts, swimmers must enter the pool feet first in a cautious manner with one hand in contact with the pool deck.
- e. The timing of warm-ups may be by gender, by age group or any mixture in order to keep the number of swimmers warming-up as equal as possible.
- f. The host may choose to divide the warm-up by team and have an entire teams' athletes warm-up together. In this case, teams should be assigned "early" and "late" warm-up sessions on different days so that no team is advantaged over another.

### Safety Guidelines

1. Coaches' Responsibilities. Coaches shall instruct their swimmers regarding safety guidelines and warm-up procedures as they apply to conduct at meets and practices.
  - a. Coaches shall actively supervise their swimmers throughout the warm-up session at meets and at all practices.
  - b. Coaches should maintain as much contact with their swimmers as possible, both verbal and visual, throughout the warm-up period.
  - c. Coaches should stand near starting end of the pool when starting swimmers on sprint or pace work.
2. Host Team Responsibilities
  - a. Marshaling
    1. A minimum of four (4) marshals, per pool, who report to and receive instructions from the Meet Referee and/or the Meet Director, shall be on deck during the entire warm-up session.
    2. Marshals shall have the authority to remove from the deck for the remainder of the warm-up session any swimmer or coach who is in violation of safety guidelines or warm-up procedures.
    3. In addition to four (4) Marshal's required for pre-meet warm-up, one Marshal shall be assigned to each warm-up, warm down facility throughout the meet; which includes warm-up prior to meet, breaks during the meet, and during active competition.
      - a. Host team shall provide signs for each lane at both ends of the pool that indicate the designated use during the warm-up session.
      - b. Warm-up times and lane assignments shall be posted at several locations around the pool area, announced periodically and on a regular basis.
      - c. An announcer shall be on duty for the entire warm-up session to announce lane and/or time changes and to assist with the conduct of the warm-up.
      - d. Host team must supply a certified lifeguard on duty at all times.
3. Miscellaneous
  - a. Backstrokers shall ensure that they are not starting at the same time as a swimmer on the blocks, and they must enter the pool feet first. Swimmers shall not step up on the blocks if there is a backstroker waiting to start.
  - b. Swimmers shall not jump or dive into the pool to stop another swimmer on a recalled start.
  - c. Swimmers are required to exit the pool upon completion of their warm-up period to allow other swimmers adequate warm-up time. The pool is not for visiting or playing during the warm-up session.
  - d. Warm-up procedures shall be enforced for any breaks and/or any areas used for warm-up and warm-down during the competition.
